✓ **Past week accomplishments (please describe as what, who, when)**

- ❖ Entire group met with Nathan and Amita from Reiman Gardens to discuss the project (9/15/2015)
- ❖ Gathered lots of info from Nathan and Amita about the other groups that have worked on UBR in the past

✓ **Plan for coming week (please describe as what, who, when)**

- ❖ Send out first draft of project plan to Nathan to get feedback and discuss additional requirements (9/22/2015)
- ❖ Meet with UBR3/UBR1 to find out more about the Android app and how to more easily port it to iOS (ASAP)
- ❖ Begin work on basic parts of our team website

✓ **Pending issues**

- ❖ Discussion of iOS development tools, such as Swift and SDK
- ❖ Meeting times are very difficult for us with 7 members

✓ **Individual contributions**

- ❖ Blake created an early first draft of project plan based on info from the meeting with Nathan and Amita
- ❖ Mason researched voice command code for iOS and found an open source solution that may work for us

✓ Individual hourly contribution
