✓ **Past week accomplishments (please describe as what, who, when)**

- ❖ We had a Google Hangout on Monday night with the UBR3 team and discussed the details of their project.
- ❖ Had a follow-up meeting after talking with UBR3 where we began finished working on our project plan.

✓ **Plan for coming week (please describe as what, who, when)**

- ❖ Discuss the finished first draft of project plan with our group advisor, Diane Rover, and the Reiman Gardens client, Nathan.
- ❖ Start planning system structure and get XCode running on our Mac computer in the Sr. Design Lab.
- ❖ Get our website up and running this week so we can easily share links to weekly meeting minutes and other important documents

✓ **Pending issues**

- ❖ Discussion of iOS development tools, such as Swift and SDK
- ❖ Meeting times are very difficult for us with 7 members

✓ **Individual contributions**

- ❖ Each member contributed to a section of the project plan using Google Docs.
- ❖ Yu Jin is working on setting up the website, which will be up and running by next week.

✓ **Individual hourly contribution**
